Sport Seat Monza Interior Upgrade with OEM spec leather - Black with highlight stitching double black stitched diamond Inserts with black shoulder inlays.

\*Addition option

## **ELECTRIC LUMBAR SUPPORT\***

The integrated pump up lumbar bags support the lower back to alleviate fatigue while driving. It also assists with correcting posture and opens the chest area increasing lung capacity, providing a more relaxed driving experience.

## OTHER ACCESSORIES

### RVE EXTENDED SPORTS BAR

- Design follows shape of cabin, results in harmonious fit and look
- Crossbar compatible

### DRIVING LIGHTBAR WITH LOWER GRILL

- Driving Lightbar
- 2 x Niken 9 inch slimline driving lights connected to highbeam

## RVE ELECTRIC SHUTTER LID

- Low profile design
- Internal water drain system
- Electric operation with remote and stops in any position

## EXTERIOR DECALS AND BADGES

- Front bumper driving light surrounds, vertical door decals with colour highlights and on the tailgate.

## OTHER ACCESSORIES

The **RVE TOUGH LINER SYSTEM** is the ultimate answer to Ute tray and cargo protection. Crafted with 100% Marine Grade Polypropylene, this is a deck liner that is soft and comfortable on your knees and vehicle, yet tough, durable and long lasting, to maximize the use of your Ute, pickup, van or station wagon estate.

- The carpet-like texture assists stopping cargo from sliding or shifting during transport.
- Easy to remove from vehicle and clean.
- Fits over existing plastic and spray liners.
- Great for pets, tools, toys and the great outdoors.
- Protects your gear, cargo and vehicle from damage while travelling

## ADDITIONAL ACCESSORY OPTIONS

### 7 INCH LED "X" WORK LIGHTS

- High output with high performance
- Integrated X Daytime Running Lights
- Sold in pairs
